# رؤية VISION 2030

المملكة العربية السعودية  
KINGDOM OF SAUDI ARABIA

HIS ROYAL HIGHNESS PRINCE

# MOHAMED BIN SALMAN BIN ABDULAZIZ

Crown Prince, Prime Minister, and Chairman of  
The Council Of Economic And Development affairs.

Aligned with Saudi Vision 2030, **NATIONAL CRANES** plays a vital role in supporting the Kingdom's ambitious development journey.

Saudi Arabia's strategic vision focuses on building a diversified, sustainable economy driven by world-class infrastructure, industrial growth, and advanced construction capabilities.

**AT NATIONAL CRANES**, we contribute to this vision by delivering reliable lifting solutions that empower mega projects, support urban expansion, and enhance operational efficiency across key sectors.

Inspired by the pillars of Vision 2030, a thriving economy, an ambitious nation, and a vibrant society, **NATIONAL CRANES** is committed to safety, innovation, and excellence, positioning itself as a trusted partner in shaping the future of the Kingdom.

All successful projects begin with a clear vision, and strong foundations turn vision into reality.

# CHAIRMAN MESSAGE

# KHALED ALSHAHRANI

NATIONAL CRANE  
CHAIRMAN

**Success is a continuous journey built on vision, perseverance, and excellence.**

**At National Cranes**, we continue to grow from a focused operation into a trusted provider of crane and lifting solutions, supporting major government and private sector projects across the Kingdom.

By adopting advanced operational systems, modern safety standards, and innovative technologies, we deliver reliable services locally and regionally.

As we enter a key growth phase aligned with **Saudi Vision 2030**, we contribute to national development through world-class lifting solutions for infrastructure, construction, and industry.

Our success is driven by consistent performance, disciplined execution, and a dedicated team.

With years of hands-on experience, **National Cranes** today plays a vital role in mega projects and large-scale developments, reinforcing our position as a leading name in the industry.

# ABOUT

## NATIONAL CRANES

A yellow air compressor truck is the central focus, parked on a construction site. The truck is a heavy-duty vehicle with a large yellow tank on its back. Several blue and yellow hoses are connected to the truck and snake across the ground. In the background, the silhouettes of construction cranes and building structures are visible against a twilight sky. The overall scene is dimly lit, with some artificial lights creating a soft glow.

# AIR COMPRESSOR

1-2-3

### Air Compressors

Capacity 150cfm to 1600cfm

Less Air Noise

High Air Capacity

Brand: Ariman

A construction site at dusk or dawn. In the foreground, a large yellow crane is partially visible. In the background, there are other pieces of construction equipment, including an excavator, and several workers in safety gear. The sky is a mix of blue and purple, with a bright light source, possibly the sun or moon, creating a lens flare effect. The overall scene is a busy construction site.

# LIGHT CONSTRUCTION MACHINES

1-2

### Tower Lights

Capacity: 1000W to 4000W

High Illumination

Metal Halide & LED Type Light Bulb

Less usage of energy

Less sound pollution

Fuel: Diesel

3

### Solar Tower Lights

# HEAVY CONSTRUCTION EQUIPMENTS
